Kwik-Cricket

Special Activities

Lacrosse
Ultimate Frisbee
Laser Tag
Fencing
American Football
Boxercise
Martial Arts

*“Wonderfully welcoming and organised.
Responsible, safe hands for my child.”*

Parent Review

Holiday Camp Coordinator: Katy Ferguson

Hi, my name is Katy and I am the camp coordinator. I am a qualified nursery nurse and have 15 years of experience caring for children ranging from 0-6 years of age.

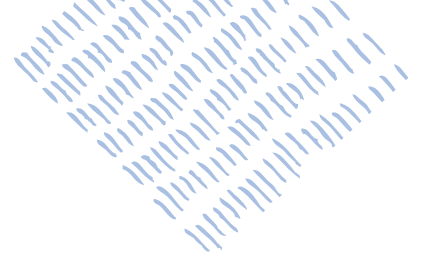

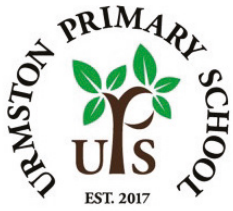

I have worked in various roles within the childcare sector, including nursery management, which has given me the skills to provide a consistently safe and nurturing environment for your children.

I started my role with the company in September 2020, and although conditions have been challenging, I have loved every minute of it. The club atmosphere always leaves me with a smile on my face and a positive feeling for the rest of the day.

Whether you are an existing parent or you are new to the School of Play family, we look forward to welcoming your children into our nurturing holiday camp environment.

Our Venues...

Urmston Primary School

Our holiday camp at Urmston Primary School has been open since May 2018, and it was our first permanent holiday camp venue. Our relationship with the school has gone from strength to strength over the years, which led to us also setting up a wraparound care service at the school in January 2020, School of Play.

Our team has developed wonderful connections with many children and parents, which is evident in the fantastic feedback we so often receive. Whether you live in Urmston or surrounding areas, we would love your child to come and enjoy our fun-filled activity days.

Venue Testimonials...

“You really do have excellent staff! Just keep doing what you’re doing - my two never want to leave”

Liz Billingsley

“I’ve not seen my children so happy arriving and leaving a holiday club. They eagerly await the next day which helps me feel guilty as a working mum. Keep doing what you’re doing!”

Natalie Thomas

Camp Leader Ashlea Brewin

My name is Ashlea, and I am the camp leader. Some of you may know me from previous Holiday Clubs, Extra Curricular Lessons or School of Play, but if you don't, here is a little bit about me...

I have been working with children for 6 years in Coaching, Teaching and Support settings, starting with Baby Ballet Coaching at the age of 15!

I joined School of Sport during my 3rd year at University and instantly fell in love with the job! Working with children is such a rewarding experience and seeing them grow and learn, plus getting to learn from them in return provides me with so many 'I love my job' days! I have recently graduated, so have been able to spend more time at work.

The role has taught me about the communities we work in, as well as the relationships we build in our schools and how important they are for creating an environment in which the children feel safe, whilst also having the most fun possible! The activities at our Holiday Camps are super exciting and create new chances for the children to experience and try out new games and sports. I am also very excited to introduce some new themed games, sports and competitions to our holiday experience in 2021.

You can expect a call from me before your child's first day at our holiday camp, but if you have any queries in the meantime, don't hesitate to email me on ashlea@schoolofsport.org.uk.

Chorlton Park Primary School

Our holiday camp at Chorlton Park Primary School opened in April 2021, and is our second permanent venue. Following a brief period running a camp at the school in 2018, we will now be using the new state-of-the-art sports hall facility to permanently run our club sports camp, as well as the fantastic classrooms for our Play & Craft Camp. Having worked in the school for four years delivering extra-curricular and lunchtime sports provision, our team have built great relationships with parents, carers, and of course, school staff.

Whether you live in Chorlton or surrounding areas, we would love your child to come and enjoy our fun-filled activity days. Children from any school between the ages of 3 and 11 are welcome.

Venue Testimonials...

“The idea of having a club with arts and crafts was great as not all kids like sports. There were different activities and my daughter never got bored! the ideas were very creative”

Claudia Mendonca

“The organisation of the camp was outstanding and the kids thoroughly enjoyed themselves”

Nicole Binns

Camp Leader Elinor Wallace

I am an energetic, fun-loving person who has a passion for delivering high-quality childcare. I have always loved being creative; doing DIY and crafts, so being able to create fun and exciting activities for our children to do always brings me great joy! I have a background in Performance, and love to bring this to work, whether it is doing acting sessions with the older children or dressing up with them and creating fun and exciting experiences in costume and film work!

School of Sport Camp Leader

So far, in my time working with School of Sport, I have been able to see the joy and excitement that Sport brings to the children who attend our sessions. I am more than ecstatic to step into my role as camp leader this summer and continue the companies hard work, making our children feel supported and safe at our camps and, of course, most importantly, having as much fun as possible! Creating a safe, family-like environment at our camps is one of my top priorities and being able to be a positive and fun role model for the children will always be one of the greatest pleasures within my job!

Bowdon Preparatory School for Girls

We are opening a new holiday camp at Bowdon Preparatory School this summer. This is an exceptional school whose values and visions align perfectly with ours, allowing for excellent service and excellent holiday camps. Bowdon Prep focuses on discovering and developing the potential of each pupil through engagement in sport, which is one of the amazing reasons we were so keen to work with the venue.

They also centre around the empowerment of girls and encourage traits such as self-belief, individuality and passion, which we find hugely inspiring.

Our holiday camps are designed to provide your child with a range of activities that keep them engaged, active and creative all day long, and Bowdon Prep certainly have the means to facilitate that. They have a vast ore of facilities that include a large sports hall, lots of outdoor space, well-appointed classrooms and much more. We can't wait to start our journey here at Bowdon Preparatory School for Girls and grow our community.

Keep an eye out on our website for more details on this holiday camp or follow us on instagram at [@schoolofsport.uk](https://www.instagram.com/schoolofsport.uk) \ [@schoolofplay.uk](https://www.instagram.com/schoolofplay.uk)

Why Choose Us?

Our Culture...

If We haven't Over-Delivered, We Have Under-Delivered

We always aim to give our customers more than they expect. Our core value of 'Excellence Is A Promise' is something we hold every team member accountable to. We believe how we do anything is how we will do everything, so ensuring the simple tasks are done to a high standard plays an important role in delivering the same standards with our greater responsibilities, such as delivering high-quality coaching sessions and providing a safe environment for your child.

Inspire The Next Generation

We know that children are the future; they will be the change-makers, future leaders and the key to a better and brighter world. Sometimes all a child needs is an opportunity and we aim to provide that for them with continued support. Finding purpose and building a vision for each child is something of great importance to us and working with them to fulfil their potential is one of the most gratifying parts of our job. Not only does this allow us to get to know the children as individuals, but it also assists in preparing them for what might lay ahead, in their school and professional lives.

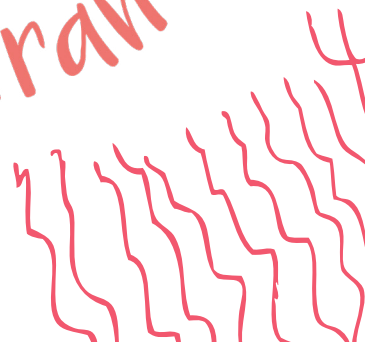

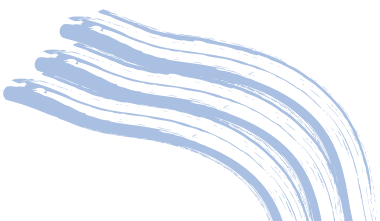

Positive Environment

It's common knowledge that the environments, people, and energy we surround ourselves with play a huge role in how we think, feel, and behave. Therefore, we understand the need to create a positive, encouraging, and welcoming environment for every child attending our classes so we can have a positive influence on how they see the world. The more social support we have the happier we are, and the happier we are, the more advantages we accrue in other areas of our lives. A lifetime of strong social relationships provides crucial protection against the dangerous effects of stress. Encouraging the children to support each other, whether in sports or other aspects of their life is something that we are passionate about. We want every child to feel comfortable and appreciated within our environment.

Happiness Guarantee

We are so convinced your child will enjoy their experience with us that we offer a 100% money-back guarantee the first time you book with us. Should your child not wish to attend after their first day, you will receive a full refund for your booking, including the day they attended.

Book your child's place now!
