## Summary of latest updates

New of Policy in light of updated guidelines

## Scope

This guidance is applicable to all those involved in the organisation of educational visits for non EYFS pupils. The Headmistress is the Educational Visits Co-ordinator ("EVC).

## Objectives

- To ensure that visits are well planned and significant risks are identified and managed.
- That there are contingency plans in place for changes in circumstances during a visit that are reasonably foreseeable.
- That there are those in charge of visits have the necessary competence to manage situations appropriately.

## Guidance

The Education Visits Co-ordinator ("EVC") will be responsible for the implementation of this policy.

Learning outside the classroom environment is an essential part of our curriculum. Trips and visits include the following (non-exhaustive list):

- day trips to historic sites, museums, galleries, natural features, farms, drama productions
- field trips, eg geography, history, art history
- adventure activities, eg canoeing, climbing, trekking, horse riding, sailing
- choir concert tours
- sports teams

The school calendar will list the trips and visits that are due to take place over the coming academic year, together with planned home and away sports fixtures.

Parents will be notified in advance of:

- selection of a child for a sports team where they will be given a list of fixtures
- a child attending a day out on a trip / visit, including details of any extra charge and details of visit duration
- planned trips and visits for year groups. Parents of pupils opting for trips will attend the school for a full briefing

Individual written consent will be obtained where pupils are taken on a trip or visit that:

- extends beyond the normal school day
- involves an overnight stay
- collection from a different venue
- extra cost to a parent

The completed and signed consent form will include details of how to contact a parent in the event of an emergency. The form must be returned to the school at least three days before the start of the trip.

Parents are expected to support the school in ensuring that pupils follow instructions given by those in charge of the trip. Those in charge of the trip may send home early any pupil who declines to follow reasonable instructions.

The EVC will:

- support the Headmistress in the process of approving visits
- ensure, as far as possible, they are spread through different age groups and the school year
- help staff involved with organising tours
- check parental consent forms
- keep records of previous visits, including details of accidents and incidents

All new staff will receive training on planning school visits as part of their induction.

Every planned trip or visit will have a nominated Group Leader ("GL") who is responsible for organising and running. A deputy GL will also be nominated.

The EVC will hold a briefing session for all those nominated as a GL, which will cover:

- conducting risk assessments
- emergency procedures
- school insurance cover
- budgeting for visits
- circumstances when a trip may be terminated

The GL have first aid training and ensure that one of the accompanying teachers have a valid first Aid Certificate.

### **Personal Liability**

- The GL acts "in loco parentis". This means that they "have a duty under common law to take care of pupils in the same way that a prudent parent would do".

- The school as employer of the GL will support them in the unlikely event of an accident occurring provided they have exercised reasonable care and followed school guidelines.

## Insurance

- The school has Employers Liability Insurance of £20m and Public Liability Insurance of £20m.
- It also has a group travel policy that covers most visits in the UK but does not cover adventurous / hazardous activities such as climbing or scuba diving.
- The EVC and / or GL should check with the Bursar when planning trips relating to hazardous/ adventurous activities for the applicability of insurance and arrange for an extension where required.
- The GL should ensure that they have a copy of the school travel insurance with them on the trip.

Travel involving staff using their own cars is discouraged. Where this is permitted, however, cover is provided through the schools "occasional business use" motor policy.

## Trips and visits planning

The following list relates to planning for longer trips, the text in italics indicates that the action either may not be required or that the timescale may be shortened.

At least *two* months in advance it is recommended that:

- assurance should be sought that suitability checks have been carried out for any staff or another organisation taking responsibility for the school's pupils on a site other than the school
- obtain suitable advice from the EVC on suitable dates, previous experience and requirements etc
- discuss key elements of the visit, including purpose, location, transport, accommodation, activities, itinerary, number and age of participants
- calculate the staff to pupil ratio
- prepare a draft itinerary
- decide the mode of transport for the whole journey
- prepare a costing for the visit, remembering to allow a contingency for delays and emergencies
- if an adventurous activity is involved, that the provider is licensed and individual instructors possess a recognised qualification (such as the Adventure Activities Licensing Authority)
- obtain relevant details from the intended Centre regarding acceptance of responsibility and copies of risk assessments before committing to the visit
- prepare your own risk assessment
- find other members of staff who are willing to participate, remembering:
  - a) language skills
  - b) medical assistance
  - c) nature of activities
  - d) the school may permit parents and office staff to assist with day trips and sports fixtures
- where parent volunteers participate arrange for enhanced **DBS** disclosure if they may have unsupervised responsibility for children

- *check that the tour company / ABTA bonded so that cover is provided in the event of the bankruptcy of the provider*
- undertake a reconnaissance visit to the location if the school has not visited it before, or a reference from another school where this is not possible
- establish the minimum and maximum numbers for the visit to be viable
- establish any medical requirements
- establish the cost of any deposits required both for travel and the activity provider and calculate the deposit required from participants

Prepare a written case for counter signing by the EVC and approval by the Headmistress. Staff pupil ratios recommend by the DfE for off-site activities are:

- 1:6 for Years 1-3 inclusive (higher ratio for under 5s)
- 1:10 for years 4-6

### **Risk Assessment**

GL's are trained in undertaking risk assessment and how this relates to the visit trip or activity they are planning. The school seeks advice and support from Compliance Education for model risk assessments from and covers:

- identifying potential hazards of the location being visited
- listing the groups of people that are at risk from significant hazards
- listing control measures that are in place
- allowance for hazards which may not yet be fully understood due to lack of information
- monitoring hazards during the visit

The GL should ask for copies of risk assessments at the planning stage from professionally operated licensed activity centres and tour operators. These will form part of the overall school risk assessment. Risk assessments from previous visits can be used as a starting point for a revised assessment, but they must never be adopted without checking for changes which may have occurred. A dossier of generic risk assessments relating to sports activities, regular school visits and theatre /museum visits, copies are accessible on TEAMS.

They may delegate part or all of the responsibility for the following to one or more of the accompanying staff:

- Carrying out a head count on getting on and off each form of transport, entering or leaving a museum, restaurant, activity centre, hotel etc.
- Carrying out a head count on getting on and off each form of transport, entering or leaving a museum, restaurant, activity centre, hotel etc.

## Illness or minor accidents

If a pupil has a minor accident or becomes ill, the GL, or another member of staff, will take her to the local hospital or clinic. The GL will phone the pupil's parents if their child has suffered an accident or injury that is serious enough to require medical treatment – as opposed to minor cuts and bruises.

## Emergency procedures

- In the event of a serious accident resulting in the death or injury of one or more of the pupils and staff, the GL first priority is to summon the emergency services and to arrange for medical attention for the injured party. One of the accompanying members of staff should accompany the injured pupil(s) to hospital.
- After ensuring that the rest of the group are safe and looked after, the GL will:
  - a) inform the Headmistress or on-call member of the SMT of what had.

  - e) Where appropriate the school communications plan will be implemented.
  - f) Where possible, communication with the media should be left to the Headmistress. The GL will refer the media to the school. If comment is unavoidable, it should be factual, calm and no attempt should be made to cover gaps in knowledge. Pupils should be discouraged from talking to the media.

## Delayed return

If the return from a visit is delayed, the GL will phone the school office, or the Headmistress (out of school hours), who will in turn phone all the parents on their contact numbers to alert them to the delay and the revised time of arrival.
