Our policies are designed to support the diverse needs of all our pupils, our staff, and our community. This policy and its procedures have been developed with due regard for our duties and obligations, for the safeguarding and wellbeing of all our pupils.

Principles of the policy

Regular attendance is essential to ensure that pupils benefit fully from the educational opportunities provided by the School. This policy is grounded on the principle that every child has the right to access high-quality learning and that consistent attendance supports:

- academic achievement

- social wellbeing

The policy has been developed in line with guidance from Department for Education - Working together to improve school attendance (2024).

Objectives of the policy

The primary objective of this attendance policy is to promote and support high levels of attendance and punctuality across the School community. We are committed to ensuring that every pupil has full access to the curriculum and the opportunity to achieve their academic and personal potential. Attendance is embedded in the School's ethos, curriculum, behaviour policy, and pastoral support and is seen as a shared responsibility across all staff.

The Senior Attendance Champion (SAC) is Mrs C Delf (Deputy Head).

This policy seeks to:

- Establish clear expectations for pupils, parents, and staff regarding attendance and punctuality

Introduction

The School is committed to working in partnership with families to promote punctuality and minimise absence. While we recognise that exceptional circumstances may occasionally require time away from school, authorised leave will only be granted at the discretion of the Headteacher.

All requests for leave must be made in advance. Decisions will be made with the pupils best interests and consideration will be given to the pupil's attendance record, and the nature of the request.

A child reaches *compulsory school age* on 31st December, 31st March, or 31st August following their 5th birthday. The specific start date depends on when the child turns five:

- Children who turn 5 between 1st September and 31st December
→ Compulsory school age begins at the start of the Spring Term (after 1st January).
- Children who turn 5 between 1st January and 31st March
→ Compulsory school age begins at the start of the Summer Term (on or after 1st April).
- Children who turn 5 between 1st April and 31st August
→ Compulsory school age begins at the start of the Autumn Term (on or after 1st September).

All Schools, including BPS, must maintain an attendance register and monitor attendance:

- 100% Exceptional attendance
- 95-99% Excellent attendance
- 90-94% Poor attendance – at serious risk of underachievement
- >90% Persistent absence: significant concern – high intervention required

Registration

An attendance register is taken twice daily, at the start of the school day and beginning of the afternoon session.

A pupil will be recorded as:

- Present;
- Attending an approved off-site educational activity;
- Absent (authorised or unauthorised);
- Unable to attend due to exceptional circumstances e.g. School closure.

Morning Registration

	School doors open	Registration taken
Kindergarten and Reception	8.40 – 8.50am	8.50am
Year 1 – Year 6	8.35 – 8.45am	8.45am

Pupil Arrival and Registration Procedure

Pupils arriving after the school doors have closed must be signed in at the School Office. They will be marked as 'late during registration' until 9am.

Once the final school register has closed at 9am, any pupil arriving thereafter will be recorded 'as late after registration'. Please note that if a pattern of late arrivals emerges, we are duty-bound to report this to Trafford Local Education Authority (LEA).

Afternoon registration

All pupils will be registered after the lunch session has finished.

Unplanned Absence

If a pupil is unable to attend school due to illness or another unplanned reason, parents should notify the School Office via the [Reach More Parents](#) app by 8.45am, providing a reason for the absence.

If the absence remains unexplained, it will be recorded as unauthorised, and the School will continue efforts to contact Parents via a telephone call in the first instance. In some cases, staff may carry out a home visit, if there are safeguarding concerns. Please note that if a pattern of unauthorised absence emerges, we are duty bound to notify Trafford Local Education Authority (LEA).

Appointments During the School Day

If a pupil needs to leave during the School day (once the register has been taken), Parents should email the School Office via [Reach More Parents App](#) in advance, providing the reason for the absence and the time the pupil will be collected.

Appointments should be scheduled outside of the school day whenever possible. If this is not feasible, every effort should be made for pupils to attend school before and/or after the appointment to minimise lost learning time.

To reduce disruption to learning, pupils should be collected during natural breaks in the School day, such as lunchtime, wherever possible.

Term-Time Absence Requests

Absence during term time will only be authorised in exceptional circumstances.

If Parents wish to request leave for their child during term time, they should formally seek permission from the Headteacher, via the [Reach More Parents App](#), providing the reason for the request, with as much notice as possible.

Authorised leave is granted at the discretion of the Headteacher, who will consider each request individually. Decisions will take into account the specific circumstances, the pupil's attendance record since the start of the academic year, and any relevant historical concerns about attendance.

If a pupil is taken out of school without authorisation, the absence will be recorded as unauthorised.

As part of our safeguarding responsibilities, the school is legally required to share attendance information with the local authority. This ensures appropriate support can be provided to pupils and their families where needed.

Examples of exceptional circumstances are as follows:

- Bereavement: Death or Funeral of a close family member
- Serious illness or crisis in the immediate family
- Religious observance: Recognised by the religious body, not family preference
- Children of armed forces personnel, especially before deployment
- Participation in elite sporting or performing arts events (e.g. if the child is representing their region or country and evidence is provided)
- Family wedding or special Family event
- Moving house (if it disrupts the ability to attend School on a specific day)
